At GMN Beech Grove Head Start, Ms. Angel and Ms. Sherry took their classroom outside to clean up around the school. They have been learning about trash and recycling this month. They used partners to pick up the trash. One child used tongs and the other child held the bag. Teamwork made for a successful clean up. If you would like to apply for enrollment or you have any questions, please call: Anita Conrad at 740-439-3493 for the Beatty Avenue Center, Chris St. Clair or Debbie Williams at 740-439-7634 for the Beech Grove Center.
