GMN Caldwell Head Start took a field trip to Seneca Lake Fish Hatchery. Casey Goodpaster was the guide. Casey talked about the types of fish they raise from Crossbreed Saugeye and Channel Catfish to Bluegill. The children were able to see the fish up close and compared the differences of each type. Casey talked to the children about the babies inside the fish eggs they were raising. The area wildlife was also visible around the facility. Everyone had a great time, thanks to Casey!

GMN Head Start and Early Head Start are currently accepting applications for enrollment. If you would like to apply for enrollment or you have any questions, please call: Barb M. Clark at 740-732-2388 at the Caldwell Center.

The GMN Tri-County CAC is a private, non-profit, community action agency. The agency strives, in cooperating with business, labor, government, and community organizations, to improve the quality of life for low-income residents of Guernsey, Monroe, and Noble Counties. GMN CAC offers programs in Direct Employment, Head Start, Home Energy Assistance, Senior Services, Senior Companions, Weatherization, Information and Referral, and several other programs. GMN CAC is an Equal Opportunity Provider and Employer.
