Summer is a busy time at GMN Woodsfield Early Head Start. Parents and children attended an Early Head Start Socialization at the Woodsfield Center. During socialization time, the children learn in a play-based classroom while forming relationships with other children. EHS provided various activities for children such as growing a garden, painting, and experimenting with sand while spending time with their friends. Parent Educators prepared a lesson plan to include classroom activities, outdoor play, snack, story time, and tooth brushing. GMN Head Start and Early Head Start are currently accepting applications for enrollment. If you would like to apply for enrollment or you have any questions, please call: Angie Dick at 740-472-1277 for the Woodsfield Center; Tara Lyman at 740-483-1796 for the Sardis Center.
