## COMMUNITY ACTION

The GMN Tri-County CAC is a private, non-profit, community action agency. The agency strives, in cooperating with business, labor, government, and community organizations, to improve the quality of life for low-income residents of Guernsey, Monroe, and Noble Counties. GMN CAC offers programs in Direct Employment, Head Start, Home Energy Assistance, Senior Services, Senior Companions, Weatherization, Information and Referral, and several other programs. GMN CAC is an Equal Opportunity Provider and Employer.

GMN Woodsfield Head Start visited the BlueSky Dairy Farm. Owners Jason and Lesley Workman run a dairy farm that is fully automated. The cows are fed, milked, and even vaccinated through the automated process. Lesley Workman gave the teachers and the class a tour through the automated process. The class enjoyed watching the cows eat and had a chance to pet some of them. The children were amazed to see the cows being milked. Some of the children even thought that the brown cows would give chocolate milk. GMN Head Start and Early Head Start are currently accepting applications for enrollment. If you would like to apply for enrollment or you have any questions, please call: Angie Dick at 740-472-1277 for the Woodsfield Center or Tara Lyman at 740-483-1796 for the Sardis Center.
