

HOME WEATHERIZATION ASSISTANCE PROGRAM

"HOME WEATHERIZATION IS WHERE COMFORT MEETS CONSERVATION"

What Is HWAP?

HWAP is a federally funded energy efficiency initiative for eligible residential consumers. Administered by the Ohio Department of Development, it optimizes homes for energy conservation by weatherizing them, preventing heated or cooled air from escaping. Services at no cost include:

- Health and safety testing and inspections
- Heating system repairs or replacement
- Reducing air leakage from major sources
- Insulation for attics, walls, floors, ducts
- Personalized energy management plans

Who's Eligible?

You qualify if your income is at or below 200% of the Federal Income Guidelines. Automatic eligibility if you received assistance in the past 12 months from:

- Home Energy Assistance Program (HEAP)
- Percentage of Income Payment Plan (PIPP Plus)
- Supplemental Security Income (SSI)
- Temporary Aid Needy Families (TANF)

Priority given to Ohioans over 60, individuals with disabilities, households with children, and those with high energy usage.

4023+ Clients Serviced in Ohio to Date

Are Your Energy Bills Too High?

Contact your local Energy Assistance Provider (Community Action Agency) at (740) 732-2388 or call 1-800-282-0880. If you receive HEAP or PIPP you can indicate interest in the Weatherization and/or EPP Programs when applying at www.energyhelp.ohio.gov

AEP Customers: Electric Partnership Program

The Electric Partnership Program (EPP) in Ohio helps eligible, low-income households reduce electricity use. For AEP Ohio customers, this free program provides an in-home energy audit and weatherization improvements to improve energy efficiency.
